Background

E.Quality Training Ltd is a private limited company that has provided work-based learning opportunities for young people in Staffordshire since 1999.

We have 3 training centres in Stoke, Newcastle and Stafford that are supported by a head office in Stone. Each centre is equipped with an industry standard training salon for hairdressing/barbering delivery and we have a sister company in Stoke, Field House Day Care Nursery, to provide practical childcare training.

Mission Statement

EQT aims to improve the choice, flexibility and diversity of the client group regardless of their prior attainment, disadvantage or disability. EQT aims to engage learners in a realistic and sustainable programme towards personal development and achievement.
